Legal Language Legal Writing Including General English

Peter M. Tiersma

Legal Language, Legal Writing and General English B. M. Gandhi, 2009

Legal Writing in Plain English Bryan A. Garner, 2013-08-26 “This easy-to-follow guide is useful both as a general course of instruction and as a targeted aid in solving particular legal writing problems.” —Harvard Law Review Clear, concise, down-to-earth, and powerful—all too often, legal writing embodies none of these qualities. Its reputation for obscurity and needless legalese is widespread. For more than twenty years, Bryan A. Garner’s Legal Writing in Plain English has helped address this problem by providing lawyers, judges, paralegals, law students, and legal scholars with sound advice and practical tools for improving their written work. The leading guide to clear writing in the field, this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process that will appeal to other professionals: how to organize ideas, create and refine prose, and improve editing skills. Accessible and witty, Legal Writing in Plain English draws on real-life writing samples that Garner has gathered through decades of teaching. Trenchant advice covers all types of legal materials, from analytical and persuasive writing to legal drafting, and the book’s principles are reinforced by sets of basic, intermediate, and advanced exercises in each section. In this new edition, Garner preserves the successful structure of the original while adjusting the content to make it even more classroom-friendly. He includes case examples from the past decade and addresses the widespread use of legal documents in electronic formats. His book remains the standard guide for producing the jargon-free language that clients demand and courts reward. “Those who are willing to approach the book systematically and to complete the exercises will see dramatic improvements in their writing.” —Law Library Journal

Plain Language Legal Writing Cheryl Stephens, 2008-07 A complete guide to clean, precise and understandable legal writing So many books give you advice that turns out to be hollow: know your audience, structure your writing. The real strength in Plain Language Legal Writing is how, throughout, Stephens provides clear instructions on how to accomplish what she's recommending. Instead of just telling you to plan what you're going to write, she walks you step-by-step through the planning. Instead of telling you to consider your audience before writing, she describes in detail the sorts of audiences a legal document might have (more than you'd expect!) and how to best meet their needs. Plain Language Legal Writing will help you produce documents that people are willing to read and able to understand. More:
Legal Language, Legal Writing & General English, 2018

Just Writing Anne Enquist, Laurel Currie Oates, 2013 Adapted from the Legal Writing Handbook’s highly praised Effective Writing and Correct Writing, Just Writing covers the basic principles of good legal writing, including style, grammar, punctuation, and other mechanics of writing. Its short length and focused content make it a perfect supplemental text for any legal writing course, providing tips, techniques, and helpful advice for every step of the process planning, drafting, revising, editing, and proofreading. Just Writing guides students to eloquence in concise legal prose and contrasts plain English with legalese. The text integrates writing for English-as-a-Second-Language students in its presentation. Other supportive features include a Glossary of Usage and practice exercises on the companion website to sharpen students skills.

Features: complete handbook designed specifically for the legal writer introduces the basic principles of good legal writing covers style, grammar, punctuation, and other mechanics of writing adapted from the Legal Writing Handbook’s highly praised Effective Writing and Correct Writing short length and focused content a perfect supplement for any legal writing course provides tips and techniques for every step of the writing process including: planning, drafting, revising, editing and proofreading includes helpful advice how the expectations of legal writers should influence legal writing eloquence in legal prose plain English and legalese how to be concise offers clear explanations and excellent examples covers writing for English-as-a-Second-Language students Glossary of Usage gives helpful hints

Language on Trial Plain English Campaign, 1996 This book looks at the forces that have made traditional legal language what it is today and suggests some reasons why the law needs plain English. It also shows why most of its peculiarities are unnecessary.

Legal English William R. McKay, Helen E. Charlton, 2005 ‘This is a much needed text on legal English. It deserves a place on the shelf of every law teacher, and should be on the reading list of all students who need to get to grips with language issues...An excellent and up-to-date book that makes the resolution of language law issues accessible and interesting.’ Dr Sharon Hanson (PhD), Director of Legal Studies Programmes, Birkbeck College, University of London ‘This book fills a very important gap and will be gratefully appreciated by both students and teachers of legal English. It is an authoritative introduction to a field which is becoming more and more significant internationally.’ David Rowson, MBE, Head of English, Bellerbys College London. Legal English is designed to assist those who wish to develop and enhance their skills in the use of the English language within a legal context, whether as a native English speaker or someone using English as a second or foreign language.

Guide to Legal Writing Style Terri LeClercq, Karin Mika, 2011-02-11 This concise paperback focuses on the nuances of legal writing style and provides novice legal writers with the skills they need to polish their writing. Guide to Legal Writing
Style, Fourth Edition, intended as an ancillary to any basic legal writing text, expands what students learn in their first-year courses by providing additional techniques and style tips that will help make their writing more precise, readable and elegant. This highly regarded paperback, specifically directed at legal writers, offers crisp, pointed advice written in a personal and humorous style lucid organization that helps students find the information they need most, including practice with basic skills and helpful advice on organization, sentence structure, word choice, punctuation, and formatting an emphasis on legal ethics throughout, with most of the examples and exercises focusing on ethical issues a chapter on organization that compares and contrasts undergraduate terms and goals with those expected by a legal audience a guide that helps students guard against plagiarism short, end-of-chapter exercises, with the answers at the back of the book, that strengthen skills and provide opportunities for self-testing Special features in the Fourth Edition include: an updated interactive CD-ROM with multiple exercises to reinforce the materials in the book, which includes updated and expanded tests of basic skills and click-on answers and explanations a new chapter testing common errors in professional writing, with explanations as well as succinct answers new checklists that reinforce essential advice of each chapter

Legal English Manual, 2nd Edition Kathrin Weston Walsh, 2017-07 International legal practitioners, LLM candidates, law students, and other legal professionals in countries all over the world must increasingly use the English language every day in their legal work, even when English is not their native language. The Legal English Manual gives global practitioners a one-stop source for technical legal language and commonly used phrases in 14 legal practice areas. It is not a textbook, it is a handbook. Prepared by experienced and native English-speaking lawyers for an audience of lawyers, prospective practitioners, and other legal professionals, the book provides professional legal English, including both U.S. and U.K. terminology, practice-oriented examples, and sample documents for use in daily practice. English has become the lingua franca of international commerce, science, computing, and law. Even non-Anglo-American companies often choose English for international negotiations and agreements. For better or for worse, the use of English in international commerce and international law is inescapable. The ability to use legal English competently and confidently has, thus, become a requirement for lawyers working in an international environment. The Legal English Manual includes:

- Practical charts featuring common professional terminology for both the U.S. and the U.K., and practice-oriented examples of usage across 14 practice areas.
- Detailed overview, explanations, and tips for drafting contracts in English.
- Practical examples of legal documents, appropriate expressions for practical situations, and customizable templates with explanations, as well as tips for legal writing, including e-mails, client correspondence, and legal memoranda.
- Checklists for client presentations, consultations, contract negotiations, interviews, and more.

The Legal English Manual comes from Lawbility, an experienced professional language training provider. Its team of international legal experts and practitioners, linguists, and legal English coaches has structured the book to provide a legal focus (detailed overview of legal terminology), a language focus (examples...
of professional usage), and a practical focus (common situations arising in legal practice). The Legal English Manual will aid lawyers everywhere to practice law confidently in English.

**Legal Writing in Plain English, Third Edition** Bryan A. Garner, 2023-09-06

The leading guide to clear writing!—and clear thinking!—in the legal profession for more than two decades, now newly updated. Admirably clear, concise, down-to-earth, and powerful—all too often, legal writing embodies none of these qualities. Its reputation for obscurity and needless legalese is widespread. Since 2001, Bryan A. Garner’s Legal Writing in Plain English has helped address this problem by providing lawyers, judges, paralegals, law students, and legal scholars with sound advice and practical tools for improving their written work. Now the leading guide to clear writing in the field, this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process: how to organize ideas, create and refine prose, and improve editing skills. Accessible and witty, Legal Writing in Plain English draws on real-life writing samples that Garner has gathered through decades of teaching experience. Trenchant advice covers all types of legal materials, from analytical and persuasive writing to legal drafting, and the book’s principles are reinforced by sets of basic, intermediate, and advanced exercises in each section. For this third edition, Garner has retained the structure of the previous versions, with updates and new material throughout. There are new sections on making your writing vivid and concrete and on using graphics to enhance your argument. The coverage and examples of key topics such as achieving parallelism, avoiding legalese, writing effective openers and summaries, and weaving quotations into your text have also been expanded. And the sample legal documents and exercises have been updated, while newly added checklists provide quick summaries of each section. Altogether, this new edition will be the most useful yet for legal professionals and students seeking to improve their prose.

**Examples & Explanations for Legal Writing** Terrill Pollman, Judith M. Stinson, 2023-12-11

The Fourth Edition of Examples & Explanations: Legal Writing explains what many professors consider to be effective writing, following the organization of typical first-year legal writing courses, and provides concrete examples for students to test their understanding of key legal writing concepts. Each chapter includes a checklist that can be easily transformed into a grading grid as well as chapter-by-chapter vocabulary that integrates your classroom instruction with these examples. This book—whether the entire book, selected chapters, or subsets of chapters—can accompany any legal writing textbook or materials you provide for your students. A favorite classroom prep tool of successful students that is often recommended by professors, the Examples & Explanations series has been ranked the most popular study aid among law students because it is equally as helpful from the first day of class through the final exam. New to the Fourth Edition: New chapters on common law and on writing conclusion sections in persuasive documents Revised and updated with legal writing professors in mind, including revisions that work whether assigning single chapters or the entire book New common law assignments with many added
examples and explanations throughout the book Professors and students will benefit from: Understanding how the writing students do in law school (and law practice) differs from what they did in college Professors knowing the right way to use examples, although they may hesitate to give examples Learning how to practice revising and rewriting--skills that are necessary to all good writing Demonstrations of how to self-evaluate, self-explain, and self-test Having the tools to continue to learn about legal writing after formal instruction ends

**Modern Legal Drafting** Peter Butt, Richard Castle, 2006-10-23 In the second edition of this highly regarded text, the authors show how and why traditional legal language has developed the peculiar characteristics that make legal documents inaccessible to the end users. Incorporating recent research and case law, the book provides a critical examination of case law and the rules of interpretation. Detailed case studies illustrate how obtuse or outdated words, phrases and concepts can be rewritten, reworked or removed altogether. Particularly useful is the step-by-step guide to drafting in the modern style, using examples from four types of common legal documents: leases, company constitutions, wills and conveyances. Readers will gain an appreciation of the historical influences on drafting practice and the use of legal terminology. They will learn about the current moves to reform legal language, and receive clear instruction on how to make their writing clearer and their legal documents more useful.

**English as a Legal Language** Rossini, 2023-12-18 English as a Legal Language is a lawyer's plain language guide to English legal terminology. Anyone who finds it difficult to express legal terms in English simply looks under the general heading to find the relevant terms and their usage. This book can also be used to find explanations of words from a translating dictionary. Further, it is structured as a thesaurus, organized according to topic with an alphabetical index. More and more, lawyers need the English language. But attempts to convert the language to meet one's own purpose often result in misconceptions. English legal language has its roots in the Anglo-American legal tradition and the non-native speaking lawyer may have difficulty understanding a word choice in English without also seeing how it fits into legal thinking and relates to other words in the subject area as a whole. English as a Legal Language offers a comparative lexicon of US and UK legal systems, with references to European legal systems. Special features of this work include: - The vocabulary of an entire area of law in each section; - A verb section which provides guidance on substantives, adjectives, adverbs, phrases, usage, as well as sample sentences and clues about typical mistakes; and - An index which gives an alphabetical rendition of the topically ordered definitions - essential for words that have multiple definitions. All lawyers working in English, and especially continental European lawyers, will find this book indispensable in their practices. The book is also of prime interest to business people, accountants, translators, legal secretaries and students. It will enable all practitioners and academics to express complex ideas in English, to understand the intricacies of English as a legal language, and to avoid the potential mishaps, when language barriers prevent a true meeting of minds.
Legal English Rupert Haigh, 2004 English is the dominant language of international business relations. Consequently, a good working knowledge of English is essential for today's legal or business professional. This book, written by an experienced English lawyer, is a comprehensive and highly practical handbook, which focuses on English that is used for legal communication. Divided into three sections, it covers: writing clear and accurate legal documents and letters in English the key situations in which legal and business professionals use oral communication the language used in international business contracts. Concluding with a series of helpful glossaries that explain the meaning of different kinds of words and phrases often found in legal and business English, this is an excellent reference tool for those seeking to improve their legal English.

A Practical Guide to Legal Writing and Legal Method John C. Dernbach, Richard V. Singleton, Cathleen S. Wharton, Catherine J. Wasson, Joan M. Ruhtenberg, 2021-02-25 A Practical Guide to Legal Writing and Legal Method provides complete coverage and analysis with the clarity and precision that has made it a classic in the field. Discussion, examples, and practice exercises teach students how to apply the concepts of legal writing and legal method to a written analysis or oral argument. The text not only provides a complete foundation for classroom instruction, but also supports independent study and review. Graduates will want to keep this text within reach as they enter legal practice. New to the Seventh Edition: Restructured format to emphasize common themes Consolidated and streamlined chapters that are even more accessible to both professor and students Expanded appendix on email communications Professors and student will benefit from: Accessible introductions that outline and explain legal method Examples of both effective and ineffective approaches to all of the topics covered Focused exercises to develop and practice the skills addressed in each chapter In-depth instruction on reading and understanding both statutes and caselaw synthesizing cases and statutes applying the law to specific facts organizing and drafting a legal analysis the principles of objective writing for memoranda, client communications, and judicial opinion writing the principles of persuasive writing, including structuring an effective argument and writing for the court drafting traditional and shorter “summary of the law” memoranda drafting opinion letters drafting both trial and appellate court briefs Guidelines for using electronic communication for legal memoranda and correspondence—when it is appropriate, and strategies for effective communication in legal writing and practice Integrated treatment of ethics and professional conduct A sample case file in the appendices with memos in both traditional and email format, client letters, and trial and appellate court briefs

Legal Writing Lisa Webley, 2016-01-29 Legal Writing guides students comprehensively through this vital legal skill and addresses a range of assessment methods from exam questions to final essays and problem answers. It considers how to deconstruct essay and problem questions and how to conduct and apply legal research to answer set questions. Lisa Webley explains how to reference others' work clearly and correctly, making this book a useful tool for students concerned about
issues of plagiarism. It also focuses on how to develop critical thinking and communicate legal arguments, with both good and bad examples of written work considered and discussed in the text. Legal Writing is particularly useful for undergraduate students, especially at the beginning of degree studies, and for GDL and CPE students too. This fully revised fourth edition includes: Guidance on the avoidance of plagiarism including examples of poor practice and best practice. Worked examples throughout the text, including guidance on deciphering essay questions in exams and coursework, along with additional examples from across the legal curriculum on the companion website. An improved companion website with increased guidance for revision to allow students to test their progress and further engage with the topics in the book. Clearly written and easy to use, Legal Writing enables students to fully engage with essay and exam writing as a vital foundation to their undergraduate degree.

Textbook on Legal Language and Legal Writing Prof. Dr. K. L. Bhatia, 2010

Legal Language Peter M. Tiersma, 1999-02 This history of legal language slices through the polysyllabic thicket of legalese. The text shows to what extent legalese is simply a product of its past and demonstrates that arcane vocabulary is not an inevitable feature of our legal system.

Textbook on Legal Language and Legal Writing K. L. Bhatia, 2016

FAQs About Legal Language Legal Writing Including General English Books

What is a Legal Language Legal Writing Including General English PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. How do I create a Legal Language Legal Writing Including General English PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF
creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Legal Language Legal Writing Including General English PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Legal Language Legal Writing Including General English PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Legal Language Legal Writing Including General English PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws. **Find Legal Language Legal Writing Including General English**
