Techno Rebels Dan Sicko,2010 Overview: Although the most vital and innovative trend in contemporary music, techno is notoriously difficult to define. What, exactly, is techno? Author Dan Sicko offers an entertaining, informed, and in-depth answer to this question in *Techno Rebels*, the music's authoritative American chronicle and a must-read for all fans of techno popular music, and contemporary culture.

Electrochoc Laurent Garnier,2015-05-26 Pioneering French DJ Laurent Garnier's ELECTROCHOC is more than an autobiography, it is a truly unique history of Dance and Techno in the UK, USA & Europe written from the perspective of a man who helped to shape the movement, its sounds and lasting legacy.

Afternoons with the Blinds Drawn Brett Anderson,2019-10-03 'A compelling personal account of the dramas of a singular British band' Neil Tennant The trajectory of Suede - hailed in infancy as both 'The Best New Band in Britain' and 'effete southern wankers' - is recalled with moving candour by its frontman Brett Anderson, whose vivid memoir swings seamlessly between the tender, witty, turbulent, euphoric and bittersweet. Suede began by treading the familiar jobbing route of London's emerging new 1990s indie bands - gigs at ULU, the Camden Powerhaus and the Old Trout in Windsor - and the dispiriting experience of playing a set to an audience of one. But in these halcyon days, their potential was undeniable. Anderson's creative partnership with guitarist Bernard Butler exposed a unique and brilliant hybrid of lyric and sound; together they were a luminescent team - burning brightly and creating some of the era's most revered songs and albums. In *Afternoons with the Blinds drawn*, Anderson unflinchingly explores his relationship with addiction, heartfelt in the regret that early musical bonds were severed, and clear-eyed on his youthful persona. 'As a young man . . . I oscillated between morbid self-reflection and vainglorious narcissism' he writes. His honesty, sharply self-aware and articulate, makes this a compelling autobiography, and a brilliant insight into one of the most significant bands of the last quarter century.

Coal Black Mornings Brett Anderson,2018-03-01 Evening Standard Book of the Year. Observer Book of the Year. Guardian Book of the Year. Sunday Times Book of the Year. Telegraph Book of the Year. New Statesman Book of the Year. Herald Book of the Year. Mojo Book of the Year. Brett Anderson came from a world impossibly distant from rock star success, and in *Coal Black Mornings* he traces the journey that took him from a childhood as 'a snotty, sniffy, slightly maudlin sort of

boy raised on Salad Cream and milky tea and cheap meat' to becoming founder and lead singer of Suede. Anderson grew up in Hayward's Heath on the grubby fringes of the Home Counties. As a teenager he clashed with his eccentric taxi-driving father (who would parade around their council house dressed as Lawrence of Arabia, air-conducting his favourite composers) and adored his beautiful, artistic mother. He brilliantly evokes the seventies, the suffocating discomfort of a very English kind of poverty and the burning need for escape that it breeds. Anderson charts the shabby romance of creativity as he travelled the tube in search of inspiration, fuelled by Marmite and nicotine, and Suede's rise from rehearsals in bedrooms, squats and pubs. And he catalogues the intense relationships that make and break bands as well as the devastating loss of his mother. *Coal Black Mornings* is profoundly moving, funny and intense - a book which stands alongside the most emotionally truthful of personal stories.

Musical Aesthetics: The nineteenth century Edward A. Lippman, 1986 The second volume of this anthology of musical aesthetics proceeds from the rational, common-sense examination of the 18th-century artistic experience to the realm of 19th-century expressiveness. The rational foundation of aesthetics gave way to an emphasis on an art form's strength of feeling and expressive power, a purity of the creation and the creator. No longer confined to a restricted sense of beauty, music admitted the violent, the enormous and the ugly into its sphere of emotion, now the era of romanticism and *Sturm und Drang*. These developments are here detailed in the writings of Wackenroder, Herder, Thibaut, Schelling, Hegel, Schopenhauer, Kirkegaard, Wagner, Hanslick, Ambros, Nietzsche, Spencer, Gurney, and Haussegger. Through them we see the classical province of proportion, educated taste and contained expressiveness recede, and the emotional realism of music come to the fore.

Bonita Avenue Peter Buwalda, 2014-04-10 A darkly hilarious tale of a model family's disintegration. Professor Siem Sigerius - maths genius, jazz lover, judo champion, Renaissance man. When Aaron meets his girlfriend Joni's family for the first time, her multitalented father could hardly be a more intimidating figure, but somehow the underachieving photographer manages to bluff his way to a friendship with the paterfamilias. With his feet under the table at the beautiful Sigerius farmhouse, Aaron feels part of the family. A perfect family. Until, that is, things start to go wrong in a very big way. A cataclysmic explosion in a firework factory, the advent of internet pornography, the reappearance of a forgotten murderer and a jet-black wig-all play a role in the spectacular fragmentation of the Sigerius clan... and of Aaron's fragile psyche. Great European art: the Dutchman Peter Buwalda explodes the bourgeois family saga. The narrative pyrotechnics alone are a tour de force. *Die Zeit* Peter Buwalda's impressive family saga is a genuine page-turner, with a forceful, precise style. The author races with unstoppable speed towards the finish, without getting entangled in the numerous gripping narrative strands, without even steering out of the curve. Libris-Prize Jury Report, 2011 Buwalda's debut novel [is] daring in its linguistic power and freedom, and impressive, even frightening, in its psychological sharpness and precision ... great and outrageous.

Deep Down in the Jungle... Roger D. Abrahams, 2018-04-20 With the growth of interest in folklore, it becomes increasingly evident that the presentation of a collection needs some rationale more than the fact that traditional materials have been collected and properly annotated. Much has been gathered and is now accessible through journals, archives, and lists. If a corpus of lore is not presented in some way, which bears new light on the process of word-of-mouth transmission, on traditional forms or expressions, or on the group among whom the lore was encountered, there is little reason to present it to the public. This work represents an attempt to present a body of folklore collected among one small group of Black Americans in a neighborhood in South Philadelphia. The author's approach toward collection and presentation has been intensive. He has tried to collect in depth, and to recreate in his presentation the social background in which the lore was found, and to relate the lore with the life and the values of the group. Abraham's work is a departure from any past methods of analyzing folklore, and therefore a description of the author's point of view and his method will be given first. The majority of this work was written before his methodology was actually formulated. However throughout the project the object was to illuminate as fully as possible the lore of one small group of African Americans from urban Philadelphia. The methodology, which developed, did so because of this objective more than anything else. Though the formulation of this theory may seem ex post facto, it is included because it clarified much during the rewritings of this book, and more importantly, because it will clarify many matters for the lay reader and for the professional folklorist.

Jazz Covers Joaquim Paulo, Julius Wiedemann, Bob Ciano, 2008 Features broad selection of jazz record covers from 1940s through the decline of LP production in the early 1990s - fact sheet listing name, art director, photographer, illustrator, year, label and more.

The Lives of John Lennon Albert Goldman, 1989 Profiles John Lennon from his childhood to his death, reveals the offstage Lennon and the violence that shaped his tortured life, discusses Lennon's hidden existence with Yoko, and assesses his impact as a cultural hero

Sita Kate Millett, 2000 Presents moment-by-moment record of the fading of love, with all of its agony and false-dawn respites. This book follows the disintegration of the author's love affair with a woman who is ten years her senior, a veteran of several marriages, and the mother of grown children.

Then It Fell Apart Moby, 2019-04-30 *Featured in The Times' 'Best Books of the Year So Far' 2019* 'Somehow this chronicle of a long, dark night of the soul also involves funny stories involving Trump, Putin, and a truly baffling array of degenerates.' Stephen Colbert***What do you do when you realise you have everything you think you've ever wanted but still feel completely empty? What do you do when it all starts to fall apart? The second volume of Moby's extraordinary life story is

a journey into the dark heart of fame and the demons that lurk just beneath the bling and bluster of the celebrity lifestyle. In summer 1999, Moby released the album that defined the millennium, *PLAY*. Like generation-defining albums before it, *PLAY* was ubiquitous, and catapulted Moby to superstardom. Suddenly he was hanging out with David Bowie and Lou Reed, Christina Ricci and Madonna, taking ecstasy for breakfast (most days), drinking litres of vodka (every day), and sleeping with super models (infrequently). It was a diet that couldn't last. And then it fell apart. The second volume of Moby's memoir is a classic about the banality of fame. It is shocking, riotously entertaining, extreme, and unforgiving. It is unedifying, but you can never tear your eyes away from the page.

Daddy Issues Katherine Angel, 2022-06-21 On the fraught bonds between daughters and their fathers, women and the patriarchy. In this beguiling, incisive book, critically acclaimed writer Katherine Angel examines the place of fathers in contemporary culture with her characteristic mix of boldness and nuance, asking how the mixture of love and hatred we feel toward our fathers—and patriarchal father figures—can be turned into a relationship that is generative rather than destructive. Moving deftly between psychoanalysis from Freud to Winnicott, cultural visions of fathering from King Lear to Ivanka Trump, and issues from incest to MeToo, Angel probes the fraught bond of daughters and fathers, women and the patriarchal regime. What, she asks, is this discomfiting space of love and hate—and how are we to reckon with both fealty and rebellion? As in her earlier book *Tomorrow Sex Will Be Good Again*, Angel proves herself to be one of the most perceptive feminist writers at work today.

MacArthur Park Andrew Durbin, 2017-09-05 After Hurricane Sandy, Nick Fowler, a writer, stranded alone in a Manhattan apartment without power, begins to contemplate disaster. Months later, at an artist residency in upstate New York, Nick finds his subject in disaster itself and the communities shaped by it, where crisis animates both hope and denial, unacknowledged pasts and potential futures. As he travels to Los Angeles and London on assignment, Nick discovers that outsiders - their lives and histories disturbed by sex, loss, and bad weather - are often better understood by what they have hidden from the world than what they have revealed.

The Woman from Uruguay Pedro Mairal, 2021-07-20 New York Times Book Review Editors' Choice From acclaimed Argentine author Pedro Mairal and Man Booker International-winning translator Jennifer Croft, the unforgettable story of two would-be lovers over the course of a single day. Lucas Pereyra, an unemployed writer in his forties, embarks on a day trip from Buenos Aires to Montevideo to pick up fifteen thousand dollars in cash. An advance due to him on his upcoming novel, the small fortune might mean the solution to his problems, most importantly the tension he has with his wife. While she spends her days at work and her nights out on the town with a lover, perhaps, he doesn't know for sure—Lucas is stuck at home all day staring at the blank page, caring for his son Maiko and fantasizing about the one thing that keeps him going: the woman from Uruguay whom he met at a conference and has been longing to see ever since. But that woman, Magalí

Guerra Zabala, is a free spirit with her own relationship troubles, and the day they spend together in this beautiful city on the beach winds up being nothing like Lucas predicted. The constantly surprising, moving story of this dramatically transformative day in their lives, *The Woman from Uruguay* is both a gripping narrative and a tender, thought-provoking exploration of the nature of relationships. An international bestseller published in fourteen countries, it is the masterpiece of one of the most original voices in Latin American literature today.

AfterCulture Jerry Herron, 1993 *AfterCulture* is a book of essays about the making and un-making of middle-class culture, a phenomenon which has occurred nowhere more decisively than in America's most representative city, Detroit. In this insightful book, Jerry Herron analyzes what has happened since the decline of middle-class culture in Detroit, a city he labels the first postmodern city, because it exemplifies the failure of traditional history to make sense of contemporary urban experience. By looking at media coverage of the city, violence, urban rehabilitation projects, and the proliferation of suburban shopping malls, the book traces the divestiture of Detroit and helps make sense of the plight of America's cities.

Panic Rules! Robin Hahnel, 1999 A witty and accessible manual to the global economic crisis.

The Last Unicorn Jane Elizabeth Cammack, 2011

The Hacienda Peter Hook, 2009-10-01 Legendary musician Peter Hook tells the whole story - the fun, the music, the vast loss of money, the legacy - of Manchester's most iconic nightclub Peter Hook, as co-founder of Joy Division and New Order, has been shaping the course of popular music for thirty years. He provided the propulsive bass guitar melodies of 'Love Will Tear Us Apart' and the bestselling 12-inch single ever, 'Blue Monday' among many other songs. As co-owner of Manchester's Hacienda club, Hook propelled the rise of acid house in the late 1980s, then suffered through its violent fall in the 1990s as gangs, drugs, greed and a hostile police force destroyed everything he and his friends had created. This is his memory of that era and 'it's far sadder, funnier, scarier and stranger' than anyone has imagined. As young and naive musicians, the members of New Order were thrilled when their record label Factory opened a club. Yet as their career escalated, they toured the world and had top ten hits, their royalties were being ploughed into the Hacienda and they were only being paid £20 per week. Peter Hook looked back at that exciting and hilarious time to write HACIENDA. All the main characters appear - Tony Wilson, Barney, Shaun Ryder - and Hook tells it like it was - a rollercoaster of success, money, confusion and true faith.
